Child Safety

Dear Parents,

Your child's safety is our biggest concern at preschool! Please supervise your children once they have been dismissed from their classroom. Children may not be left alone in a car; we are obligated to report this as child neglect. The Fairfax County guidelines read that "no child under the age of seven should be left alone; this includes being left unattended in cars." The parking lot is a very dangerous area and children need to be supervised at all times. We recommend that you take your children to a nearby playground if you wish to continue playing after school is over. You are welcome to use our playground when other classes are not present.

Thank you for joining our Kiss and Ride line by turning right into the parking lot. Please keep your child buckled in their car seat while waiting. Kiss and Ride is a great way to build self-confidence and independence in your child! Look for a special treat at Kiss and Ride!

Inclement Weather Policy

Please go to www.fcps.edu and check the tab "EMERGENCIES" to check for school closings. We follow the Fairfax County Public Schools (FCPS) closings.

- If FCPS is closed, our school is closed and there is no Lunch Bunch
- If FCPS has a 2-hour delay, all classes will start at 10am. Lunch Bunch will meet on time.
- If FCPS closes early, morning classes will meet as scheduled, but there will be no Lunch Bunch and no Awesome Authors or Everyday Explorers.

Lord of Life Preschool does not provide monetary refunds or credit for days lost due to inclement weather. Should FCPS add school days that fall within our established calendar year, the preschool will add the same days (if the preschool has missed days), but will retain the right to determine which classes will attend those make-up days based on what class days were missed.
