

# December Newsletter

## Zoofari

We have had a lot of fun learning about some wild animals! We are finishing up our “1, 2, 3 to the Zoo” theme.

In December, we will be learning about the following animals:

December 5: Lion

December 12: Chameleon

December 19: Holiday Animals

During this theme, we will be learning about the animals and doing some math and art activities.

As the children learn new animals, you can ask some of the following questions extend their knowledge:

1. Is the animal a mammal, reptile, bird, or amphibian?
2. What does today's animal like to eat?
3. Where does the animal live? (Water, land, desert, ocean)

Thank you for sharing your children with us! We have had a lot of fun exploring new animals.

If you have any questions or concern, please don't hesitate to contact us!
