

# November Newsletter

## Zoofari

We have had a lot of fun learning about some wild animals! We are working on our “1, 2, 3 to the Zoo” theme, based off of Eric Carle’s book. We are building a train just like the book. Each animal we learn about we are also counting. Our train is currently carrying 1 Cheetah and 2 Goliath Bird-Eating Spiders. We still have more animals to add to our train as we explore.

In November, we will be learning about the following animals:

November 7: 3 Sea Lions & Seals

November 14: 4 Golden Lion Tamarin (GLT)

November 28: 5 Lion

During this theme, we will be learning about the animals and doing some counting activities. Students will be bringing home their train on November 28th.

We have seen some of the children pretend to be Zookeepers during big room and playground time. It is exciting to see them show what they have just learned.

As the children learn new animals, you can ask some of the following questions extend their knowledge:

1. Is the animal a mammal, reptile, bird, or amphibian?
2. What does today’s animal like to eat?
3. Where does the animal live? (Water, land, desert, ocean)

Thank you for sharing your children with us! We have had a lot of fun exploring new animals.

If you have any questions or concern, please don't hesitate to contact us!

Mrs. Kelsey & Mrs. Mastel
